

LUGGAGE TROLLEYS - Landside

Airside

Front desk and lobby equipment

/// LANDSIDE / LANDSIDE ///

## EQUINOX 29 & 27

The EQUINOX range fully matches the requirements of passengers and airport staff in the toughest conditions. Stable and manoeuvrable, they are adapted to the transport of all types of luggage.

Other highlights of the Equinox range:

- easy nesting. Capacity: 4 suitcases
- all-around bumpers
- large advertising panel
- colour option to support your identity
